2007 Girls Final Roster

Thompson Okanagan FC is pleased to announce their final roster for the **2007 Born Girls** entry into the **BC Soccer Premier League**, BC's highest level of youth soccer, and part of the Canada Soccer and BC Soccer Pathway. Thompson Okanagan FC is a founding member of the **BC Soccer Premier League** and holds the **ONLY BC SPL** franchise for the Thompson Okanagan Region. The league is operated by BC Soccer and is the highest level of youth soccer in British Columbia.

Thompson Okanagan FC is the only Club in the Thompson Okanagan with the Canada Soccer National Youth Club License, requiring the very highest standards of operation both on field and off. All BC SPL teams are required to have attained the Canada Soccer National Club License, BC Soccer Club Charter Standard 1 and the BC Soccer High Performance License, all of which TOFC was among the first clubs in BC to achieve.

Congratulations to the players for their hard work and determination. Our choices were made extremely difficult by an exceptionally talented group of players that attended evaluations. All involved should be proud of their efforts.
