SECTION 7 - PROGRAM GUIDELINES

Guidelines for Member Association YOUTHSAFE programs:

- a) The Criminal Record Check (CRC) is an important document which contains sensitive information. Questions are included on the form which can assist in determining problem areas and which provide individuals an opportunity to explain charges made against them. Honest answers on the form help with the decision that must be made concerning a problem report.
- b) It is essential that CRCs be stored securely and the information on them and the cases arising from them be handled with the highest possible level of confidentiality.
- c) CRCs should be stored by the Member Association's RMO in a place that is accessible only to authorized personnel. CRCs should be kept in a secure, locked confidential file and a records retention and access policy established by each Member Association. Policy should also include procedures for when to permanently remove the CRCs from the file and records.
- d) A tracking procedure to verify that CRCs are submitted should be developed.
- e) A record of all volunteers/employees that have completed the CRC must be submitted to the BC Soccer Risk Management Officer, via the BC Soccer Office, under the Member Association's name. Actual Criminal Record Checks are kept by the Member Association RMO.
- f) When a criminal record check identifies problem areas for the individual, the Member Association RMO should contact the individual for additional information. The information collected and recorded shall be retained on file and copy of all relevant documentation forwarded to the BC Soccer Risk Management Officer, via the BC Soccer Office.
- g) If the identified problem poses a risk to program participants, an individual may be suspended from working with the participants. The Member Association RMO must inform the individual and the president of the local District, Club, League or affiliate that a suspension has been imposed on the employee/volunteer. The Member Association RMO shall notify BC Soccer of the suspension for inclusion on the BC Soccer Disciplinary and Risk Management Action Report.
- h) Upon suspension, the individual must be given information about the appeal process.
- i) Criteria to evaluate positive information "hits" on the criminal record check:
 - the number and nature of the offence(s),
 - age of the offence,
 - sentence,
 - age of the offender at the time of the offense(s),
 - rehabilitative achievements of the offender which indicate that the behavior is unlikely to reoccur, and any other factor that the Member Association deem appropriate
- j) Member Association Risk Management Officers are to act immediately if there is a problem area identified in the Criminal Record Check. For all other risk management issues the RMO is to act **only after receipt of a formal written letter/report signed by a complainant or spoken directly with a complainant and assessed that action needs to be taken** (i.e. not act on hearsay, rumour or second/third party notices).

- k) When formal written letters/reports of activities that could be deemed detrimental to the welfare of the participants are received the appropriate Association must respond in writing. In the event a person participating in a BC Soccer or Member Association sanctioned activity, becomes involved as a defendant in litigation detrimental to the welfare of youth participants or litigation based on activities detrimental to the welfare of youth participants, the BC Soccer Risk Management Officer shall advise the alleged offender, in writing, that he/she is suspended from all activity within the soccer organization until the case is resolved. The alleged offender should also be advised of his/her appeal rights.
- i. If the appeal process favours the alleged offender then he/she will be reinstated to their original volunteer/employee position in the organization. Should the appeal not be successful then the employee/volunteer shall be permanently removed from any position in the organization.
- l) For more specific information on handling Criminal Record Checks, please see BC Soccer's Criminal Record Check Best Practices / Recommendations document.

SECTION 8 - IMPLEMENTATION GUIDE

Program Implementation Guide:

- a) The BC Soccer YOUTHSAFE program is designed to promote the welfare of youth participants and to protect coaches, trainers, managers, program administrators and the organization.
- b) The BC Soccer YOUTHSAFE program adheres to all national, provincial and municipal laws. Member Associations are encouraged to develop additional their programs which support and promote the BC Soccer YOUTHSAFE program.
- i. Member Associations are encouraged to seek the advice of legal counsel in developing and implementing their programs. In particular, they are encouraged to seek advice concerning Provincial laws which relate to YOUTHSAFE and to the responsibilities of volunteers and staff persons in youth programs. Provincial laws should be checked for permissible levels of inquiry designed to identify past offenders. (i.e. Freedom of Information and Protection of Privacy Act)
- ii. The effect on Provincial laws and local ordinances brought about by Part 3 – Child Protection of the Child, Family and Community Service Act [RSBC 1996] Chapter 46 should also be determined.

5. Through education, it helps retain recreation leaders, coaches, officials and volunteers by making them less vulnerable and more confident in dealing with sensitive issues
6. It makes a values based statement on behalf of the organization to ALL stakeholders

RIS Belief

Recreation and Sport should offer a safe haven for children and young adults to:

- Build self-esteem
